Program:

1° DAY, Ponale e-Bike Tour

Arrival in the morning directly at the Bike Station Baldresca, located in Via della Roggia, 43 Rovereto (TN), starting point for e-Bike tours to discover Lake Garda, up to Lake Ledro. An extremely exciting excursion that leads us to reach Lake Ledro through the old road that connected Riva del Garda to Molina di Ledro. It is a dirt road with a very compact and uniform bottom, completely overlooking Lake Garda and built among the rocks, with exclusive passages and tunnel crossings still dug with mainly manual means. The maximum slope does not exceed 5% and is easily accessible even by children (10+). It starts from the Bike Station and through the cycle network; you arrive first in Torbole sul Garda, then continue along the lake and reach the hydroelectric power station of Riva del Garda. From there, the Ponale path is intercepted and progressively climbs towards the Belvedere restaurant, located at the end of the dirt road. It is possible to continue along another stretch of paved road reaching the monument of the Madonna di Pregasina at the top, this point with a breath-taking view over the completely northern part of Lake Garda. It is possible to refresh yourself during the journey at the various places on the route or, alternatively, to taste your own packed lunch, enjoying the view. From here departure towards R&B Villa Cameras, located in Via del Garda, 85 - 38065 Mori (TN). Check-in approximately at 18:00. Typical dinner scheduled at around 20:00 in a restaurant a few meters away from the hotel. Overnight.

2° DAY, Tour by e-Bike in Vallagarina

Checkout early in the morning, approximately 08:30. Expected departure around 09:00. The tour includes a cycle-visit to Rovereto, the capital of Vallagarina, with the discovery of the Bell of the Fallen, the Mart - Museum of Contemporary Art of Rovereto, the Casa di Depero and the Casa Mozart, also oldest roasting in Italy). Subsequently the tour will continue on the first hill of Rovereto and we will reach the Bosco della Città. It is possible to refresh yourself during the trip at Nomi's bike grill or, alternatively, enjoy your own packed lunch on your own. In the early afternoon, the tour will continue in the countryside and in the vineyards of the northern Vallagarina, we will visit the Taio Biotope and we will reach Castel Beseno, where a passage to the Zambel Falls is scheduled. Through the entire cycle path of the Vallagarina network, along the Adige river, we will reach Rovereto again through the village historic Sacco, to return to the Bike Station (starting point), around 17:00
